CASTANO
AUTOBUS E VIAGGI

Travel, trips and tourism

ABOUT US

The company was founded in 1932 by Grandfather Pietro who was able to see with foresight the importance of public transportation by combining skills and passion. Currently managed by the fourth generation, Castano operates in the Milan and Malpensa area for transfers and excursions and for tours and voyages all over Europe. Our offices are in Varese and Milan.

COMFORT

FOUR GENERATIONS

Four generations driven by one common goal: to make Castano brand more and more solid and concrete.

... AND NOW

OUR FLEET

We have over 40 vehicles of the latest generation, all with the Euro 6 certification and owned by us. All of our vehicles are up to 4 years old and are continuously renewed in order to offer the customer excellent service.

We implement maintenance with a series of scheduled check-ups in order to ensure maximum reliability and also to respect the environment by strictly controlling any kind of emissions or pollutants.

We offer 3 types of vehicles according to your needs: cars, 8-seater Mercedes mini-buses and 20 - 36 - 54 - 56 seater coaches.

OUR STAFF

The drivers, who are highly qualified and experienced not only in national but also international itineraries, regularly participate in technical update and training courses, and each of them has excellent relationship skills.

The office staff has specific knowledge that allows them to assist the client all the way, from choosing the vehicle to drafting the itinerary to reach the desired destination.
